01 PROFILE

Adept at digital technologies, programming has become my hobby. self learning frontend development rigorously. Developed deep skills in Typescript, NextJs and other tools which improve development performance. Dedicated to learning new skills (currently learning NodeJs and Nest). Build and capability to create progressive and scalable Web App. Adessed and fixed complex bugs. Looking for an entry-level position at a great company to be a hard-working asset to any team, to learn, grow and develop long-term.
